Dear Sir:-

This morning I received a copy of Mr. Venn's four monographs bound together and published by yourself. Please accept our thanks for your thought of our Library in this connection. We are very glad indeed to have this brochure.

I am wondering whether you have ever received an invitation to become an associate member of The American Numismatic Society. If not, would you care to consider such an invitation. I am enclosing a card, and if you will sign and return it I should be very glad to present it at the next meeting of our Council.

Very respectfully yours,

Secretary.
